DEMOCRATIC TICKET.

FOR CONGRESS,
HENRY D. ALLEN,
OF UNION COUNTY.

Miss Jessie Schley may not have done it, but she staid until it was done.

Russia's latest census reports show that the Czar rules over 130,000,000 subjects.

Admiral Sampson has four beautiful daughters, two of whom are still unmarried.

Lieut. Carranza, who was recently invited to leave Canada, has again turned up at Montreal.

Porto Rico is now a territory of the United States, or will be as soon as a little red tape is unwound.

Commissioners are to meet within thirty days in Havana and San Juan to arrange the details of evacuation.

The guillotine is likely to be abolished soon as an instrument of execution in France. The executions have ceased to be public affairs.

Gen. Garcia has written to Gen. Shafter offering to furnish a detail of Cuban scouts. The consultation with Gomez seems to have brought him to his senses.

This, the final issue of THE DAILY KENTUCKIAN, contains the formal proclamation of the President that the war is over. The terms of peace are the same given in yesterday's KENTUCKIAN.

An Atlanta girl claims priority over Miss Arnold in the invention of the Hobson kiss. She kissed him at a Kimball House reception in Atlanta several weeks ago, in the presence of his mother and sister. Perhaps there are others.

Admiral Miller and staff have arrived at Honolulu to raise the American flag over the Hawaiian islands. The raising will probably not take place until the commissioners arrive on the 17th inst.

Gen. Wheeler has written a letter to Maj. Wills, of Nashville, defending his conduct of the Santiago campaign. He says Shafter was carrying on two fights at the same time, at Caney and San Juan, and could not be at the front with either army.

The serious charge is made against the 159th Indiana that on the march to Manassas they robbed chicken roosts and roasting ear patches just like sure enough soldiers. Details of mounted officers were sent to chase the hungry Hoosiers down and stop them from foraging.

The Nebraska Fusionists seem to have done the Cincinnati act in nominating their candidates for Governor. An exchange says:

"Within less than fifty hours after he had appeared before the delegates of the three conventions in Lincoln and acknowledged the applause which shook the three houses, a visitor to William A. Poynter's farm, who came upon him without warning, found the candidate clad in blue overalls, attending to the morning work of the dairy. Having just milked the cows in the barn, he was running the machinery of the butter-making plant with his own hands."

One feature of the peace terms will not meet with popular approval. The provision permitting the Spanish tyrants to remain in Cuba to do "police duty" for several months is a blunder. Spanish rule in Cuba of every kind and character should end at once. There are three classes of people in Cuba to be policed—Americans, Cubans and Spaniards. Spaniards are to remain temporarily, and why they are to be permitted to "police" the lawful inhabitants of the islands, is one of those mysterious things no man outside of the "charmed circle" can understand. Why not let the Cubans police the Spaniards until they are ready to said?

Dun & Co.'s trade review says: "Prospects of peace have had a curious influence on business contracts, not quite explainable on common sense grounds. Nobody really feared disaster or exhaustion of national resources, and nobody feared that anybody else was afraid of either. Yet orders unusual in number and size have been placed since Spain ask for peace." Bradstreet's says: "Changes in general trade and business this week have been very general toward improvement."

The subscribers of the DAILY KENTUCKIAN without exception express regret that the paper is not to be continued. The public demands may make it necessary to resume the paper and place it upon a permanent footing. In the meanwhile the Semi-weekly KENTUCKIAN will continue to publish more news than any paper in Western Kentucky.

The Democrats so far have nominated the following candidates for Congress: First district, Charles K. Wheeler; Second, Henry D. Allen; Third, John S. Rhea; Fourth, David H. Smith; Seventh, E. E. Settle; Eighth, George G. Gilbert; Ninth, Mordecai Williams; Tenth, Thomas Y. Fitzpatrick. The Fifth, Sixth and Eleventh are yet to be chosen.

Pursuant to a decree of the Chancery Court, Lookout Inn will be sold on Thursday, August 18. It is stated that local parties will purchase the property. It is quite likely that when the Inn is sold Point Park will be thrown open to all parties, regardless of how they arrive on the top of Lookout mountain.

The Graves county grasshoppers can find plenty green things to eat in the First district without eating crops. For instance there are those Democrats who are fussing among themselves.

Admiral Kirkland, who died on the day peace was proclaimed, was the ranking Admiral of the Navy and his death makes another vacancy to be filled at once.

Mrs. Geo. N. Curzon, wife of the new viceroy of India, was Miss Mary Leiter, of Chicago. She ranks next to Queen Victoria in the social scale of England.

France managed to keep hands off to the end, by a special effort and we can all prepare now to take in her big show in 1900.

CLIPPED AND COMPILED.

Carrollton now has only two saloons.

Owensboro has a curfew law, but it is not enforced.

Franklin is to have a handsome new school building for boys.

Paducah has contracted for a new school building to cost \$40,960.

A case of small-pox has developed at Jackson, Ky., and many people are leaving.

Commonwealth suits against 108 nonresident land owners were filed at Mt. Sterling.

The Johnson brothers, five in number, are conducting a protracted meeting at Columbia.

Surveyors are at work establishing a new boundary between Simpson and Warren counties.

The Ohio County Fair Association, like a good many others in the State, has decided not to hold a fair this year.

Officer Fred Hoyer has been appointed night Chief of the Paducah police force in place of R. J. Barber, resigned.

Dr. Godfrey Hunter's friends deny that he is going to resign as Minister to Guatemala and come home and run for Governor.

An unfortunate baby, just born in Metcalfe county, has got to drag through life with the name: Clarence Sampson Dewey Hobson Schley Shafter Riley Babbet Grinstead.

Dr. John Ed Curry, of Sullivan, was arrested at Dixon on the charge of criminal assault. The alleged victim is fifteen years old. The arrest has caused a sensation and feeling runs high.

Hopkinsville Tobacco Market.

(Reported by J. H. Eggleston, of Cummings & Eggleston Co., (Incorporated), buy and order of dealer in and handler of leaf tobacco.)

The offerings this week were 351 against 501 hoghead last week. Receipts this week were 165 hogheads. The offerings this week were the poorest we have had this season as a whole. Nothing above medium appearing. Previous prices were fully sustained on all grades. The common nondescript leaf was a shade or two higher this week. The demand continues good on all Bremen. Style also on all grades suitable for Regie purposes. The weather has been favorable with the exception of a little too much rain in some localities. However, unless some unforeseen calamity happens, there will be one of the cleanest and freest from worm cut crops raised this time than we have had for years.

There is some little complaint of tobacco flies doing some damage in the eastern part of this county, extending into Todd county. This is a new pest to some people. While he is quite small they cut little fine holes in the leaves like a sifter.

RELIABILITY

Is a quality some newspapers have lost sight of in these days of "Yellow" Journalism. They care little for the truth and a great deal for temporary sensation.

It is not with THE DISPATCH. The success of THE DISPATCH rests upon its reliability. It prints the news—all of the news—and tells the truth about it.

ITS WAR NEWS SERVICE

Can not be excelled. It is gathered by forty-two war correspondents and eight fast dispatch boats at the seat of war, and a salaried correspondent in every important city in the world. The most critical period of the war will be during peace negotiations. Get the paper that tells the truth.

Our Motto: If you see it in THE DISPATCH it's so, and if it's so it is always in THE DISPATCH.

THE DISPATCH news service is now furnished by the New York Sun, The Chicago Inter Ocean, The Northern Press Association, The Leslie Syndicate and a staff of correspondents in Kentucky, Tennessee and Indiana second to none on a Southern newspaper.

We club with The Weekly Louisville Dispatch; both papers one year for the low sum of \$2.00.

An Old Adage Reads:

"There is a place for every thing." Now for everything to be in its place the Louisville Dispatch should be in the home of every Democrat in the South. The Louisville Dispatch is the people's paper, owned by the people and read by the people. The Louisville Dispatch is the only Democratic paper published in Louisville. It stands squarely on the Chicago platform. It is not only in a flourishing condition after eighteen months battling against adverse circumstances, but is to day the best News medium in the South. And its motto—if you see it in the Dispatch it's so; if it's so it is always in the Dispatch, has been fully verified during the American Spanish War, during which the superiority of its news service has been daily apparent.

The Dispatch news service is furnished by the New York Sun, the Chicago Inter Ocean, the Northern Press Association and the Leslie Syndicate, which an active salaried correspondent in every important city in the world, besides its own staff of over 300 correspondents in Kentucky, Tennessee and Indiana. Get The Dispatch, it gives the news, and it tells the truth about it.

The Dispatch is Kentucky's greatest paper. You should be a reader. For the next few weeks we will club with the Weekly Dispatch at the extremely low price \$2.00.
